

Milestone 7: Final Presentation & Documentation

Instructions:

Step 1: Documentation

1. Update your network diagram to reflect any changes
2. Update your risk management documents to reflect any changes

Step 2: Presentation

1. Create a final presentation to the board of directors on the system you have designed and built. The presentation should be 10-12 minutes and go over the key points of the system in business terms.

Submission Requirements

- ☐ 100 Points - Submit your updated documentation and final presentation to Learning Suite
- ☐ 200 Points - Give your final presentation
